

**HITLER'S WORST MISTAKE:
HE DIDN'T GAS THE JEWS.**

By JAMES VON BRUNN

Remember, the Federal Reserve Act (1913) gave JEWS control of America's MONEY followed by control of America's main sources of information.

Early on, during the war-torn 20th Century, the only broadcast networks: ABC, CBS, and NBC — were JEW owned. Today, JEWS control ALL important sources of information (The major networks, Newspapers, Magazines, Book-publishing, Tin-Pan Alley, Music & Recording Industry, Hollywood, Encyclopedia Britannica, Public schools and Universities, the Catholic Church, etc.).

Bit by bit Liberalism ascended. Bit by bit the Constitution was re-interpreted. Bit by bit government institutions and Congressmen fell into JEW hands — then U.S. diplomacy, businesses, resources and manpower came under JEW control.

White men sat on their collective asses and did NOTHING - NOTHING BUT TALK. Never before in World history has a Nation so completely been conquered with absolutely NO physical resistance.

Whites LOVE their Enemies.

Today, on the World stage, White men are LAUGHED AT, their women bred by stronger men.

And America?

America is a Third-World racial garbage-dump — stupid, ignorant, dead-broke, and terminal.

Prepare to die, Whitey.
